Off and Running.

Despite the less than desirable temperatures 41 **Tuesday morning Ladies** teed it up for the first time last week, a team event that saw the foursome of Jane O'Grady, Dianne Brady, Marg Brady and Deb Sisty out duel Carol Brandon, Elaine Turner, Phyllis Elliott and Lisa Hasler by a single stroke

The following evening 80 gals made it out for the premiere of the get together hosted by Ann Buchanan. Ed Carnrite, representing the club, presented Isobel Joyce with a putter and a hole in one trophy for her feat during last season's closing tourney.

Lisa Hasler and Brady whacked the longest drives while Mary Lynne Wilson, and Hasler had the regular, mundane Closest to the pin shots. Maxine Lewis reeled in the soon to be coveted and initial Closest to the Frog prize. Le grenouille replaced the long awarded Butterfly, which morphed into retirement.

Flowers of thanks were given to Kelly Bowman, Laurie Brankin, and Penny Ryan for all their hard work over the years and Nancy Dodds was welcomed in as a new committee member.

Thanks to Chris Drummond the course is in great shaped but not for the nana who was injured before heading out to golf.

Senior Men: Forty aged shooters headed out on a cold blustery Thursday some of whom made it the full eighteen headed by Bob Dungey and his splendid 81,three up on Andy Hall.

Three skins paid off for Ed Carnrite, Dick Murphy and Merv Roberts.
Ron Manson, Ray Kilpatrick, Tommy Steele and Murphy were hole winners.

The Industrial League also weathered some unsettled conditions and those who made it upstairs had a chance for several great prizes. Dave Lewis took home the Taylor Made carry bag, and Mike Brankin's team garnered the four dinner passes. Two chits were handed out for use at the soda fountain. Jim Buchanan and Barry Murphy were the winners.

Chef Don will be putting on a barbecue prior to this week's outing and wings will be offered upstairs after the golf.
