The weekly **Wednesday night Ladies** highlight was a welcome to the Hawaii five 0 club for Nancy Dodds , celebrated in proper fashion with a treat fashioned by Chef Don and his beloved Joan.

Anne Hawes was Closest to the Butterfly and Lorna Beattie and Mary Lynne Wilson nearest the flag on holes # 8 and # 15. Norma Sweeney and Debbie Dodds smote the Longest Drives.

The **Tuesday Ladies** held a two ball alternate shot event with Mary Russett and Dianne Brady and their 64 topping Margaret Clist and Elaine Turner

Diana Cross and Marg Trombley were third.

The return stage of the **annual home and home with Lombard Glen seniors** was held on Monday July 19, 2010 at Lombard Glen. While 20 Perth seniors were scheduled to play, 2 cancelled on the night before and 2 simply didn't show while 1 individual arrived unannounced. This left 17 Perth golfers to play in 9 matches. The odd man out was Bob Fitzsimmons who took on a pair from Lombard Glen and won his match. Lombard Glen won five of the other matches to come out ahead on the day but Perth was the overall winner for the year as we had won five of the eight matches played in Perth to Lombard's one with one match tied and one match undetermined (they were apparently very well matched socially and couldn't remember the score). In the case of one match involving Paul Waite and Tom Browne of Perth, they had tied in Perth and it came down to the final eighteenth hole at Lombard Glen before the win finally went to the opposition, one up.

A full account of the annual **St Lawrence tournament** will appear next week but early returns saw Andrew Miller leading the entire field after round one and Tom Vickers staging a late rally to take the coveted white shoes from the grasp of Kevin Bellamy.
